

For we died and were buried with Christ by baptism.
And just as Christ was raised from the dead by the glorious power of the Father,
Now we also may live new lives.

Romans 6:4 (New Living Translation)

REQUEST FOR BAPTISM

Baptism is an outward sign of the inward change that takes place when an individual comes to faith in God through the death and resurrection of His son Jesus. Jesus commanded those who received His message of salvation to be baptized (Matthew 28:18-20) as He was baptized at the beginning of His ministry (Matthew 3:13-17).

If you wish to be baptized, please supply the following information. The elders will then schedule a time to meet with you to hear about your journey to this point, and plan for a service of baptism. During the service you will be asked to briefly share your story of faith with the congregation (2-3 minutes). This form is provided for our records, and also to assist you in reflecting about what God's grace has accomplished in your life.

Please give a brief overview of how you came to know God. As you write your salvation history (His-story) you might wish to read Paul's testimony in Acts 22:1-21. Consider your life before Christ, how you became a Christian, and how your life has changed because of your encounter with the Living God.
